

CAMPAIGN BUTTON

AT HOME DIRECTIONS

USING MATERIALS AROUND THE HOUSE:

Supplies:

1. Printer
2. Paper
3. Scissors
4. Cardstock
5. Glue
6. Hot Glue Gun
7. Safety Pins

Instructions:

1. Download the We Want Joe Button Template
2. Print out a sheet of buttons in your selected size
3. Cut out the campaign buttons along the artwork (not the black cut line)
4. Glue each campaign button to the back of a piece of cardstock
5. Cut out the buttons
6. Using a hot glue gun, glue a safety pin to the back of cardboard. You should glue the pin so that you are freely able to open and close the pin. (You may need to glue in two stages: glue down the safety pin first, then once dried, seal the safety pin to the backing with another dab of glue)
7. Show your support for Joe
